

Fiber Cutting Pen - Optical Fiber Cleaver Pen Type Cutter with Flat Ruby Blade

Product Part Number

N724.FCPFRB

Product Description

The **Fiber Cutting Pen** is a compact and portable optical fiber cleaver designed for precision cutting. Featuring a flat ruby blade, this pen-style tool is ideal for optical fiber connectors, testing, and various optical device productions. Its ergonomic design makes it easy to carry and use, while the protective cap ensures the cutting head remains intact. Perfect for fiber optic communication, repair, and network applications.

Product Features

- **Sharp Flat Ruby Blade** : Provides smooth and precise cutting of optical fiber, ensuring clean cleaving.
- **Portable Design** : Pen-type format allows easy carrying and comfortable grip.
- **Protective Cap** : Ensures the blade is protected when not in use, extending the tool's life.
- **Durable Construction** : Made from high-quality materials for long-lasting performance.
- **Wide Application** : Ideal for use in optical fiber communication, cable TV, local area networks, and more.
- **Easy to Use** : Suitable for both professional and DIY applications.
