

# StarTrail Fiber Raceway, Piper Fixer for 120mm Moveable Exit - Compatible for Dia. 50mm Corrugated Pipe (Metal)

## Product Part Number

N411.PF12050M

## Product Description

The StarTrail Fiber Raceway Piper Fixer is a robust component essential for securing Dia. 50mm corrugated pipes to the 120mm Moveable Exit. Crafted from 2.0mm thick carbon steel with a durable yellow powder-coated finish (Pantone 115U), this fixer ensures a secure and long-lasting installation, maintaining the integrity of your cable management system.

## Product Features

- Precision Fit : Compatible with Dia. 50mm corrugated pipes and 120mm Moveable Exit.
- High-Quality Material : Made from 2.0mm thick carbon steel for enhanced durability.
- Powder-Coated Finish : Yellow coating (Pantone 115U) for corrosion resistance and aesthetics.
- Essential for Installation : Necessary for fixing corrugated pipes in place.
- Reliable and Sturdy : Ensures a secure and stable connection in fiber raceway setups.
