

StellarPath Horizontal Cable Manager, 19" 1U, Double-Sided with 10 Rings and Front Dust Cover

Product Part Number

N421.191D10FDCB

Product Description

The StellarPath 19" 1U Horizontal Cable Manager combines superior functionality with sustainable innovation, offering a streamlined solution for professional cable organization. Featuring a double-sided design with 10 sturdy rings, it ensures efficient cable routing and optimal accessibility. The integrated front dust cover maintains a clean, organized appearance, enhancing the aesthetic and functionality of your rack setup. Engineered with reduced metal content, this lightweight cable manager is designed to minimize environmental impact throughout its lifecycle, making it an eco-friendly choice for modern data centers and IT infrastructure.

Product Features

- **Efficient Cable Management** : Double-sided design with 10 robust rings ensures organized and clutter-free cable routing.
- **Integrated Front Dust Cover** : Protects cables from dust and debris while enhancing rack aesthetics with a professional finish.
- **Eco-Friendly Design** : Lightweight construction with reduced metal content lowers energy usage, packaging waste, and shipping costs.
- **Universal Fit** : Standard 19" 1U size ensures compatibility with EIA-310-compliant racks for seamless integration.
- **Compact & Handy** : Easy to handle and install, reducing labor time during setup.
- **Sustainable Innovation** : Designed to minimize environmental impact, supporting a greener future with reduced production and delivery footprints.
