

StellarPath Horizontal Cable Manager, 19" 1U, Double-Sided with 10 Rings, Grommets & Front Dust Cover

Product Part Number

N421.191D10GFDCB

Product Description

The StellarPath 19" 1U Horizontal Cable Manager is the perfect solution for streamlined and sustainable cable management. Designed with a double-sided structure featuring 10 sturdy rings and integrated grommets, it ensures efficient cable routing and protection. The front dust cover adds a professional touch while safeguarding cables from dust and debris. As part of the eco-conscious StellarPath series, this lightweight cable manager is engineered with reduced material usage, aligning high performance with environmental responsibility. Ideal for professional rack setups, it combines functionality, durability, and sustainability.

Product Features

- **Double-Sided with 10 Rings** : Provides efficient cable routing and organization for both front and rear rack setups.
- **Organized Cable Routing** : Integrated grommets streamline cable management, enhance airflow, and protect cables from wear and tear.
- **Front Dust Cover** : Keeps cables clean and enhances the professional appearance of your rack system.
- **Eco-Friendly Design** : Lightweight construction with reduced material usage minimizes production energy and environmental impact.
- **Standard 19" 1U Compatibility** : Fits seamlessly into EIA-310-compliant racks, providing versatility for diverse applications.
